Sir/Madame,

I had preferred an application under Section 6 of the RTI Act before the law Department, West Bengal on 19.07.23. Upon receiving no reply, I made an application under Section 19 of the RTI Act before the 1<sup>st</sup> Appellate Authority on 22.09.23. This time I got a reply dated 11.10.23 from the Assistant Secretary, Law Department, Writers Building that redirected my RTI application again to the PIO directing them to furnish a reply to me.

I expected a reply since the First Appellate Authority had given a direction to the PIO. Therefore, I waited for more than 90 days, assuming that since I have asked for data concerning many courts it would naturally take time.

However, since even after almost 122 days since my First Appeal and the direction by the 1<sup>st</sup> Appellate Authority, I have received no reply from the PIO, I have come before you.

I humbly pray that you kindly condone my delay which was due to an honest wait and consideration for the PIO's office and kindly direct the PIO to furnish the data sought for.

Thanking you,

Senjuti Chakrabarti,

Advocate.
