2. Can you provide details of the disciplinary proceedings initiated against Sri Debesh Das, and if any, the outcomes of such proceedings?
3. Please share information on the security measures in place at Siliguri College of Commerce to prevent such incidents and ensure the safety of staff and students.
4. Provide details of any police complaints or legal actions initiated in connection with the incident involving Sri Debesh Das and the group of outsiders.

*Mithu Das*  
26.12.2023

I would like to express my concern and disappointment regarding the non-responsive stance of the designated State Public Information Officer (SPIO) to my initial RTI application. As per the provisions of the Right to Information Act, 2005, I have the right to seek information, and the concerned authorities must adhere to the statutory timelines for responding to such requests.

In light of the above, I am filing this first appeal before you to seek your intervention in ensuring a prompt and appropriate response to my queries. I request you to kindly review the matter and direct the concerned official to furnish the requested information at the earliest, by the provisions of the RTI Act.

I believe in the principles of transparency and accountability that underlie the RTI Act, and I trust that your esteemed office will take the necessary steps to uphold these principles. I am hopeful that this appeal will receive the attention it deserves, and that the information sought will be provided without further delay.

I am enclosing a copy of my original RTI application for your reference. I would appreciate it if you could acknowledge the receipt of this appeal and keep me informed about the proceedings.

Thank you for your attention to this matter, and I look forward to a positive resolution.

Yours sincerely,

*Mithu Das*
