Dear Sir,

Sub: 1st Appeal under Right to Information Act 2005.

Ref: RTI Application Dated August 21, 2024 & reply Dated September 18, 2024 from the SPIO.

Respected Sir/Madam,

With reference to the subject mentioned above, I file 1st appeal with following details, under the Right to Information Act, 2005: I had sought following information:

1. **CCTV Footage and Image:**

My vehicle, bearing registration number WB08K8401, has been implicated in Case No. CRPC613187/24 dated 01.08.2024. The incident was recorded early in the morning at the intersection of J M Avenue and Grey Street (West). I request a copy of the relevant CCTV image showing my vehicle related to this case.

2. **CCTV Video Recording:**

I request a soft copy of the CCTV video footage from 04:00 AM to 10:00 AM on 01.08.2024, at the intersection of J M Avenue and Grey Street (West).

3. **Prosecution Data for Stop Line Violations:**

Please provide the number of vehicles that were prosecuted for stop line violations between 04:00 AM and 10:00 AM on 01.08.2024 at the intersection of J M Avenue and Grey Street (West) if any.

4. **Prosecution Data for Auto Rickshaws:**

Additionally, I request the number of auto-rickshaws that were prosecuted for stop line violations during the same time period and at the same location as mentioned above if any.

With reference to reply of the SPIO (Letter Ref No. SPIO/TP/RTI/71/24 Dated 18.09.2024, I received incomplete information. Therefore 1st Appeal is being filed on following ground:

Ground of Appeal:

I had requested CCTV footage based on my application, but the SPIO has responded that the footage is unavailable. It is crucial to highlight that preserving CCTV footage is of paramount importance, especially when a case is based on such evidence. Failure to provide this footage to citizens constitutes a violation of human rights and calls into question the validity of the case itself.

Under the Constitution of India, every citizen has the right to access the details and evidence of any case imposed upon them, to ensure their rights are protected under the law. In a democratic country like ours, withholding essential evidence such as CCTV footage not only undermines justice but may also render the imposed case null and void.

Therefore, I earnestly request to accept my 1st Appeal under RTI Act 2005 & do the needful on the basis of above-mentioned ground.

Sandeep Kumar

Contd-2

The Appeal is being filed under limitation. I also confirm that no any Appeal filed previously by me for this matter.

I look forward to your prompt response.

Thank you for your attention to this matter.

Respected Chief Information Commissioner, West Bengal,

Ground of Appeal:

I had requested CCTV footage based on my application, but the SPIO has responded that the footage is unavailable. It is crucial to highlight that preserving CCTV footage is of paramount importance, especially when a case is based on such evidence. Failure to provide this footage to citizens constitutes a violation of human rights and calls into question the validity of the case itself.

The requirement for CCTV footage is essential to understand the process of imposing cases for violations of traffic guidelines. Providing access to this footage ensures transparency in the enforcement process, fostering accountability and building trust among citizens. This measure will greatly benefit the public by promoting fairness and clarity in the application of traffic regulations.

Under the Constitution of India, every citizen has the right to access the details and evidence of any case imposed upon them, to ensure their rights are protected under the law. In a democratic country like ours, withholding essential evidence such as CCTV footage not only undermines justice but may also render the imposed case null and void.

I respectfully bring to your attention the decision made on my First Appeal by the Appellate Authority, which stated:

"This is to inform you that your requested information has already been provided to you via memo no. SPIO/TP/RTI/71/24 dated 18.09.2024 by the State Public Information Officer, Traffic Department, Kolkata Police."

However, I find this decision to be unsatisfactory as my appeal was not adequately considered. Despite submitting valid grounds for my appeal, they were not addressed or deliberated upon. Instead, the decision was solely based on the assertion that the SPIO had already responded.

I humbly request you to kindly reconsider my appeal and review the grounds I have submitted. It is my earnest hope that the matter will be addressed fairly and comprehensively.

Thanks with Regards

Sandeep Kumar Lath
