11. Decision of the 1st Appellate Authority, if any, including number and date of the order: Not received any reply till date
(A self attested photocopy of the order of the 1st Appellate Authority should be attached.)
12. Brief facts of the case:

I have made an application under RTI Act, 2005 before SPIO, O/o Turturi Khanda G.P. on 25/08/2023. I have received a intimation letter of transfer from SPIO, O/o Turturi Khanda G.P. on 29/08/2023 via email and Original Intimation letter through India Post vide no. RW750873946IN on 20/09/2023. On same day i.e. 29/08/2023 I have send an email regarding SPIO's evasive nature as many question's answer can be given by SPIO instead of transfer all queries to other SPIO. SPIO, O/o Turturi Khanda G.P. misleads the appellant by hiding facts about G.P.'s involvement regarding the Identification, Field verification and Geotagging of IHHL and transferred the application to other SPIO. Are they really don't know that they are involved or not? After that I have received a reply from 2nd SPIO, Memo no. 1782/BDO/KMG, Date: 20/09/2023 through India Post on 07/10/2023 where SPIO, O/o Kumargram Block Development Office, mentioned that the identification & Field verification of IHHL is conducted by G.P. which contradicts with the action of G.P. (as the G.P. transferred the application on the base of non-liability due to non-involvement in that matter). As per the reply from SPIO, O/o Kumargram Development Block Office, Identification & Field verification is done by G.P. (G.P. is really unaware about that they are liable? then who is liable?). In reply to Q.no. 4, "NO SUCH DOCUMENT EXIST" given by SPIO, O/o Kumargram Block Development Office. Is it possible to conduct any activity in Gram Panchayet without the prior permission/ authorization by any administrative office- G.P./Block/District? Can anyone conduct above mentioned activities without any MOU with any administrative office? So, the reply of SPIO, O/o Kumargram Block Development Office is not satisfactory and ridiculous about the non existing of linking documents (like as MOU). I have filed an 1st appeal on 12/10/2023 vide India Post Registry no. RW651133444IN, Dt. 13/10/2023 which was received by FAA's office on 17/10/2023. I have mentioned in 1st appeal, all the facts with incomplete & misleading information provided by SPIO. But till so far I have not received any reply from FAA's side. Specially they wish to hide the information regarding the Geotagg of IHHL & the linkage (MOU) between the conducting agency & concern administrative office.

13. Grounds for 2nd appeal and the relief sought(Specify):

That I did not get satisfactory response from SPIO, O/o Kumargram Block Development Office. As the SPIO reply shows that G.P. is responsible in terms of Identification, Field Verification of IHHL, If that was reality, why G.P. transferred the application to other SPIO? In terms of Geotag, SPIO, O/o Kumargram Block Development Office mentioned that Geotagging is done by RSM and sometimes other sources. But not provided stage wise details. In connection with concern administrative office & RSM/other source who are involved in Geotagging linkage documents (MOU) are not available as per the comment "NO SUCH DOCUMENT EXIST" in reply of SPIO, O/o Kumargram Block Development Office. In connection with answer of Q.n. 6 –deployment/authorization given by which administrative office G.P./Block/District is not clear.

So, Appellant wish to get the complete information as desired at all without any omission, free of cost (refer sub section 6 of section 7).

Subject : Skipping of own liability which can be answered with the knowledge of your involvement in related schemes.

Reference : My RTI application Dt. 25/08/2023 regarding the some facts & details which can be answered by your involvement in the scheme & your letter Ref. no. 157/T.K.G.P./2023 Dt.29/08/2023.

Respected sir,

Please refer to the above. I feel that you are skipping your liability of answering the question which can be answered by your experience & involvement. I don't think that all the answer to be given by other SPIO. You can answer all those question which is in your involvement.

It may be part question or inaccessibility of related document's copy which can be transferred using u/s 6(3) of RTI Act 2005. But some questions answerability is yours, which can be answered, there is nothing to say by others.

- Q. 1. G.P / BLOCK / DISTRICT ?
- Q. 2. G.P. /BLOCK / DISTRICT ?
- Q. 3. G.P.- with help of G.P. Staff / Hired any other agency like as KREDA ?
- Q. 4. Answer to be given- G.P. is not involved in any kind of activity-Identifying, field verification & Geotagging of Assets. If G.P. is not involved. This can be answered, we are involve or not .
- Q. 5. If G.P. is not involve in any kind of activity, they are not liable to provide list.
- Q.6. Responsibility of G.P. under above scheme is unknown ? Deployment of executive by BLOCK / DISTRICT is unknown to G.P. ?

Feel free to contact with me if necessary.

ANNEXURE - IX

12/10/2023
Date: 09/10/2023

To,
The First Appellate Authority
Block Development Officer
Kumargram Block
Kumargram, Alipurduar
W.B.-736203

Subject: First Appeal against RTI Application filed to SPIO, Turturi Khanda G.P. which was transferred to SPIO, Kumargram Development Block Office on 29/08/2023.

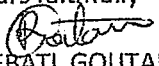

Ref. : RTI Application filed to SPIO, Turturi Khanda G.P. on 25/08/2023, SPIO, Turturi Khanda G.P. transferred the application to SPIO, Kumargram Block Office on 29/08/2023 & reply of SPIO, Kumargram Development Block vide no. 1782/BDO/KMG, Dt. 20/09/2023 (received on 07/10/2023).

Respected Sir,

I, Rebati Goutam, citizen of India filing First Appeal in front of you as I am not satisfied with the answer given by SPIO against my RTI Application. The SPIO's reply contradict with the Gram Panchayat's words & action is as under :

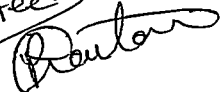

- Q.1 Identification of eligible IHHL Beneficiaries is conducted by Gram Panchayat-
which was already denied by SPIO, Turturi Khanda G.P. and transferred the application to SPIO, Kumargram Block Development Office for all liability of reply as they are not involved in any activity.
- Q.2 Field Verification of IHHL application is conducted by Gram Panchayat-
which was already denied by SPIO, Turturi Khanda G.P. and transferred the application to SPIO, Kumargram Block Development Office for all liability of reply as they are not involved in any activity.
- Q.3 Geotag of IHHL has been done by RSM sometimes it may be done by other sources -
What is RSM & who are other sources appointed by G.P./Block/District is not clear and not given the stage wise details with individual agency.
- Q.4 No such document exist-
Which is not satisfactory reply. As nobody/any agency will conduct survey/Identification, Field Verification & Geotag without the authorization/deployment by any authority such as G.P./Block/District who appoints/deployed the personnel/Agency for the specified work - Identification, Field Verification & Geotag of asset/proposed site. It is ridiculous to know that there is no linkage document exist with administration about the implementing agency/hired agency.
- Q.5 Details enclosed herewith-
There is no rejected list of SBM(G)-I & other schemes provided.
- Q.6 Identification, Verification is done by Gram Panchayat-
Responsibility of Geotagging of proposed site/IHHL Asset under the G.P. is not clear. Also there is no any remarks regarding the deployment of anyone by Block or District is done or not done.

Thanking You,
Yours faithfully

To,
The First Appeal Authority
Pradhan
Turturi Khanda G.P.
Hatipotha, Alipurduar
W.B.-736201

Subject : First Appeal against RTI application to which evasive nature shown by SPIO, Turturi Khanda G.P. by transferring application to another SPIO & the unsatisfactory/incomplete information reply given/provided by the another SPIO with comments of all responsibilities are belongs to Original SPIO (SPIO, Turturi Khanda G.P.) other than the details they provided.

Reference: RTI Application filed on 25/08/2023, transfer to other SPIO on 29/08/2023 & reply of SPIO, Kumargram Development Block on 20/09/2023 (recd. on 07/10/2023)

Respected Madam,

Please refer to the above & the discussion had with SPIO, Executive, Turturi Khanda G.P.. I wish to inform you that SPIO, Executive, Turturi Khanda G.P. shows the evasive nature and transferred the application to other SPIO, even he has to give answer of many/part questions itself. As earlier discussion had with him regarding the responsibility of person who is dealing in Identification, Field Verification & Geotagging of asset/proposed place under SBM. In connection with that I have written/e-mail to him on 29/08/2023 about the answerability in his jurisdiction (copy attached herewith for ready reference)*

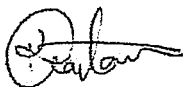

I also intimate/remind him about the all responsibilities (Identification, Field Verification & Geotagging of asset/proposed place) of SPIO, Turturi Khanda G.P. as per the FAA, Kumargram Development Block referring the letter from FAA, Kumargram Development Block. Once again I wish to inform you that SPIO, Turturi Khanda G.P. is the responsible Officer who has to give answer & take responsibility which also added the confirmation of the same by SPIO, Kumargram Development Block. Find attached herewith the copy of SPIO, Kumargram Development Block's letter in reply of one RTI application filed by me & transferred by SPIO, Turturi Khanda & other RTI application reply by FAA, Kumargram Development Block in another RTI application regarding the Field Verification conducting agency.

As the SPIO, Kumargram Development Block supplied list of rejected application of Phase-II only. I have asked for Phase-I & other IHHL schemes also (which can be the scheme other than SBM and implemented by G.P.). And remaining questions's answer, he pointed out & mentioned who is the responsible person regarding my query.

So, you are requested to instruct the SPIO, Turturi Khanda G.P. to give proper answer/ make arrangement for the same & copy of supporting document (linkage document also), other than the document which is provided by SPIO, Kumargram Development Block to the applicant as soon as possible.

Thanking you,

Yours faithfully

MONITORING & EVALUATION

DDWS, at the Central level, shall lead the Monitoring and Evaluation function in coordination with States and Districts. Under SBM(G) Phase II, effective monitoring of outcomes will be undertaken to ensure ODF Plus villages. The monitoring of outputs will also be done for administrative purposes such as the monitoring of expenditure and assets created. The monitoring framework should be able to identify the following:

1. Whether adequate IEC activities have been carried out for behaviour change
2. Whether the ODF status of villages has been achieved and is being sustained
3. Whether adequate solid waste management has been ensured
4. Whether adequate liquid waste management has been ensured
5. Whether the village is visually clean

The Monitoring and Evaluation activities shall be oriented towards monitoring attainment of programme results, effectively and efficiently. Monitoring will also include undertaking independent assessments, periodic reviews, field visits and thematic consultations to ascertain programme progress and effectiveness.

17.1 Output Outcome Monitoring Framework

SBM(G) Phase II will monitor progress on outputs and outcomes using an Output-Outcome Monitoring Framework. Outputs refer to the direct and measurable product of the program activities, often expressed in physical terms or unit. Outcomes are the collective results or qualitative improvements brought about in the delivery of these services. The suggested output outcome monitoring framework for SBM(G) is as under:-

Parameter	Output	Outcome
ODF Sustainability	No of IHHL constructed	Percentage of rural HH having access to Toilet and using them regularly
	No. of Community Sanitary Complexes (CSC) constructed	Percentage of villages confirming ODF Status
Improvement in cleanliness of villages	No. of villages covered with solid waste management	Percentage of villages having minimal littering
	No. of villages covered with grey water management	Percentage of villages having minimal stagnation of waste water
	No. of Blocks with plastic waste management units	
	No. of districts covered with Faecal Sludge Management (FSM) arrangements	

The Output and Outcome Indicators may be changed during the programme period according to needs.

17.2 Integrated Management Information System

SBM(G) Phase II will have a comprehensive online Integrated Management Information System (IMIS) that will provide regular and customized information to programme managers for decision support. SBM(G) Phase II shall generate integrated management information using data entered directly by State Governments as well as information to be received, from time to time, from the Department of Panchayati Raj and the Department of Rural Development. In the IMIS, all SBM(G) activities viz. construction of Individual and Community / Household Toilets, SLWM infrastructure, IEC, Capacity Building and administration related activities, including financial progress, will be exclusively captured in IMIS of SBM(G). The other Non-SBM(G) funded activities will be extracted from the funding programme's MIS and presented in IMIS for analysis.

The IMIS will have modules to capture plans at GP, Block and District level and provide information on status of planning and its implementation. All States/UTs are to submit their physical and financial progress reports of the implementation of the Programme, in real time through the online IMIS using user-ids and passwords provided to various implementing agencies of the States/UTs. It is recommended that all IMIS entries may be made at the block level by designated data entry operators, while only necessary approvals may be undertaken at the district levels.

All activity-wise physical and financial progress is to be updated in the SBM(G) IMIS in real time. All approvals for any data entry in the MIS to be made by the district must be completed within 5 days of entry at the block level, and all approvals for any data entry in the MIS to be made by the State must be completed within 10 days of entry at the district level.

17.3 Baseline Survey

The baseline for the programme on ODF Plus parameters must be determined to ensure the effective planning and implementation of the programme. States and UTs will undertake a baseline assessment in FY 2020-21 to determine initial coverage on key components under SBM(G) for all villages by August 31st, 2020, with the assistance from District/Block Coordinators/ Swachhagrahis. Under the baseline, all community and individual SLWM assets constructed as of 31st May 2020 from various Central/State/ Other schemes/Self-funded would be reported through the mobile app or any other appropriate mechanisms. Details for undertaking the baseline exercise shall be shared by DDWS.

17.4 Geotagging of assets

All assets constructed under the programme (including community SLWM assets and CSCs) are to be geotagged mandatorily with the help of the DDWS Mobile App. Geotagging will be done by a district authorized personnel (District or Block or cluster coordinators / Registered Swachhagrahis etc.) registered on the IMIS. In case of connectivity issues in the field, the authorized person may complete the geo-tagging offline when in the field on the DDWS mobile app and then sync the data to the IMIS on regaining connectivity.

No further approval of geotagging will be required once the authorized personnel has completed the geotagging. However, Districts are mandated to perform 5% random checks on geotagging each quarter to ensure the quality assurance of geotagging. In case of discrepancies observed during random checks, the details of random check reports be shared with sub-district authorities for necessary action.
