Date: 15/11/2023

**MY "PRAYER/PLEA" IN THIS FIRST APPEAL:**

1. Instruct the SPIO, in writing, to give complete information as requested in my above mentioned RTI Application.
2. Issue a written warning to the SPIO, under the present Rules and Regulations of Service, instruct him that he should adhere to the time limits specified in the RTI Act 2005 as well as respect the RTI Act in its letter and spirit.
3. Inform the concerned PIO that the appellant will move a Second Appeal before the West Bengal Information Commission under Section 19(3) and will demand the imposition of Penalty under Section 20 of the RTI Act, at the rate of Rs. 250.00 for every day of delay (subject to a maximum of Rs. 25,000.00) from the date the information was due till the date the information is given to me.
4. As per Sec 19(5) of the RTI Act 2005, during the appeal proceedings, the PIO should be asked to explain his "deemed" denial of the request for information, since the onus to prove that the denial of the request was justified, is on the PIO.
5. As per Sec 7(6) of the RTI Act, the PIO should now provide me the information "free of charge" since the provision of information has

been delayed/refused beyond the mandated 30 days as provided in Sec 7(1) of the RTI Act.

**SPECIAL NOTE:**

Your attention is drawn to the contents of the Office Memorandum No. 1/3/2008-IR, dated 25 April 2008, issued by DoPT, titled "Guidelines for the Officers designated as First Appellate Authorities under the RTI Act 2005", the relevant excerpts are quoted for your ready reference:

38. Deciding appeals under the RTI Act is a quasi-judicial function. It is, therefore, necessary that the appellate authority should see to it that the justice is not only done but it should also appear to have been done. In order to do so, the order passed by the appellate authority should be a speaking order giving justification for the decision arrived at. ....

40. If an appellate authority comes to a conclusion that the appellant should be supplied information in addition to what has been supplied to him by the SPIO, he may either (i) pass an order directing the SPIO to give such information to the appellant; or (ii) he himself may give information to the appellant while disposing off the appeal. In the first case the appellate authority should ensure that the information ordered by him to be supplied is supplied to the appellant immediately. It would, however, be better if the appellate authority chooses the second course of action and he himself furnishes the information along with the order passed by him in the matter.

Thanking You
