2. That the SPIO failed to provide any reply to the said RTI application within the statutory period of 30 days, as mandated under Section 7(1) of the RTI Act, 2005.
3. That no written reply whatsoever has been furnished by the SPIO till date, which amounts to "deemed refusal" and a clear violation of the provisions of the RTI Act.
4. That the Appellant was compelled to file First Appeal on 23.12.2024 before the First Appellate Authority due to the inaction and non-compliance of the SPIO.
5. That even after filing the First Appeal, no effective relief or direction ensuring disclosure of information was granted, thereby frustrating the very objective of the RTI Act.
6. That the information sought pertains to public records held by a public authority, and the Respondent has failed to justify denial under any of the exemptions prescribed under Section 8 or Section 9 of the RTI Act.

Subject: Submission after Hearing dated 16/02/2026 - Non-furnishing of Proper and Complete Information under RTI Act, 2005.

Respected Sir,

I, Ratan Kr. Kar, S/o Late Gour Ch. Kar,
Ward No. 19, Chandkhoya, P.S. Tamluk,
Dist - Purba Medinipur, Pin - 721628
most respectfully submit as follows:

1. That a hearing was conducted before the Hon'ble Commission on 16/02/2026 in connection with my RTI applications filed against Tamralipta Municipality.

2. That I filed RTI applications dated 03/04/2024 and 10/02/2025, but I have not received proper, specific and complete information as sought in my applications.

3. That the Public Information Officer (PIO), Tamralipta Municipality has provided vague, evasive and incomplete replies, which are not in accordance with Section 2(f) and Section 7 of the RTI Act, 2005.

4. Specifically:

(a) Regarding Building Permit No. SWS/OBPAS/1705/2023/290 dated 07/09/2023, I sought to know whether the said building plan is legal or illegal. Instead of giving a clear and record-based reply, the PIO gave a general explanation about the online scrutiny system.

(b) Regarding conversion certificate, the reply states that no conversion certificate has been issued to Mr. Ashini Kumar Sau, but no certified copies or supporting records were provided.

(c) Regarding site plan and hand sketch submission, proper documentary copies were not supplied.

5. That such incomplete replies defeat the object and purpose of the RTI Act and deprive me of my statutory right to obtain information from public records.

Therefore, I humbly pray that the Hon'ble Commission may kindly:

1. Direct the PIO to provide complete, clear and certified information as per my RTI applications dated 03/04/2024 and 10/02/2025.
2. Direct production of relevant records before the Commission.
3. Pass appropriate orders under Section 19(8) and Section 20 of the RTI Act, 2005.

I shall remain ever grateful.

Deliberation and Decision

3. The appellant was present in person. Shri Sumit Kr. Basu, Executive Officer, Tamralipta Municipality, Tamluk was also present in person. Shri Soumyabrata Das, BL & LRO, Tamluk-I, Purba Medinipur was present virtually.
4. The three RTI applications filed by the appellant were discussed as following :
 - i) RTI application dated 03-4-2024 filed with SPIO, Tamralipta Municipality vide para 1 (A) above
 - a) It is seen that the SPIO e-mailed the reply to the appellant on 13-02-2026. The appellant also admitted to have received it but has not been able to check it for the last three days as he was busy with urgent work. The Commission noted that there is a plot of land [Dag No.494]. Eight decimals of the land was given in 'Patta' by the government to one Aswini Kr. Sau. The rest of the plot /land has been bought by the appellant. Later, the appellant got a building plan sanctioned by the Tamralipta Municipality. Now, he has a grievance that Aswini Kr. Sau filed a WPA in the Hon'ble Calcutta High Court on 12-10-2023 for illegal construction against the appellant. This caused harassment and embarrassment to the appellant and he filed the instant RTI application and a case with the Land Tribunal. He pointed out that Aswini Kr. Sau got a building plan sanctioned on his 8 decimals plot. As per the appellant's information, there was an old structure and on that old structure the Tamralipta Municipality sanctioned a building plan. The Tamralipta Municipality replied vide memo no.1693 dated 13-02-2026 wherein it has been mentioned that the Municipality has sanctioned a

building plan. The appellant has a grievance that the Municipality has sanctioned building plan on a plot where an old structure was standing and this sanction by the Municipality is illegal. It was explained to the appellant that the RTI Act is not for redressal of grievance but only for supply of information. For redressal of his grievance, the appellant may approach appropriate forum / Authorities. The Commission noted that there has been a case and counter-case between the appellant and Aswini Kr. Sau in the Hon'ble High Court and WBLRTT etc. The Commission noted that the appellant has been replied adequately. The case is closed.

b) The SPIO submitted that the appellant has filed nine to ten RTI applications on the same / similar issue.

ii) RTI application dated 24-9-2024 filed with SPIO, BL & LRO, Tamluk-I vide para 1 (B) above

a) It is seen that in query no. (iii), the appellant is seeking to know whether Aswini Kr. Sau was 'Bargadaar' in 1985. The SPIO submitted that records showed Aswini Kr. Sau as 'Bargadaar' since 1964. He further added that it was a mistake on his part saying that the particular year could not be affirmed. Logically, Aswini Kr. Sau should be 'Bargadaar' in 1985 also. The Commission noted that the appellant has been adequately informed and replied. The case is closed.

b) The SPIO submitted that the appellant has already filed ten to twelve RTI applications.

iii) RTI application dated 25-9-2024 filed with SPIO, BL & LRO, Tamluk-I vide para 1 (C) above

- a) It is seen that in reply to query no.(i), it has been mentioned that it is not possible to affirm. The SPIO explained that the date is not legible in the record as it is a very old record. On being asked by the Commission to make a personal inspection of the record in the office of the SPIO, Tamluk, the appellant refused and stated that he already has the copy of the land-records.
- b) Query no. (ii). The appellant stated that he did not get the reply. The SPIO reiterated the earlier reply that the date is not clear in the record. The record being very old has become illegible / unreadable. The appellant was asked to have an inspection of the record but the appellant again refused and stated that he has got the copy. The Commission noted that the appellant is adequately informed. The case is closed.

5. Regarding multiple RTI applications filed by the appellant vide para 4 (i) (b) and 4 (ii) (b) above, the appellant is advised to use his right under RTI Act conscientiously keeping in view the spirit of the RTI Act and judgement of the Hon'ble Supreme Court in Aditya Bandyapadhyaya vs CBSE wherein it is said that it is not expected that the majority of the employees of the Public Authority will waste majority of their time in replying to RTI applications.

6. The matter is disposed of.
