Sirs,

Re.: Second Appeal under the provisions of the RTI Act/ West Bengal Pollution Control Board

I had filed an application with the Public Relations Officer and SPIO, West Bengal Pollution Control Board, Paribesh Bhawan, 10A Block LA, Sector III, Bidhan Nagar, Kolkata 700 106 for information under the RTI Act w.r.t. pollution/ inspection of Tibetan Delight vide my application dated 10/6/24. I had 5 queries which were very clear and merited a clear, simple and factual response which would be available from the records of WBPCB. The SPIO refused to give me an answer to my questions no. 1 to 4 u/s 8(1)(e). To my question no. 5, it was answered only in part, and partly refused u/s 8(1)(d).

I filed a first appeal with the Appellate Authority vide letter dated 20/9/24, and sent a copy to the SPIO. The Appellate authority replied that the RTI 1<sup>st</sup> Appeal dated 20/9/24 has already been decided and intimated vide Memo No. 1811 dated 19/7/24. A copy of my application ( dated 10/6/24), SPIO's reply(dated 15/7/24) , my First Appeal ( dated 20/9/24) , and Reply of 1<sup>st</sup> Appellate authority ( dated 4/10/24) are enclosed herewith.

In the reply of the 1<sup>st</sup> Appellate Authority, as you can see, he has informed that the decision to not grant my First Appeal was taken on 19/7/24, whereas my first appeal was made at a later date, only on 20/9/24 ( 2 months later!!! --- only after the decision of the Appellate authority)

This clearly evidences that the Appellate Authority has not applied his mind to the matter, and for reasons best known to him, has refused to give me the information. He has predetermined that he would not like to ensure that I get the information as requested. I again state that I am entitled to get the information sought under the RTI Act.

Please therefore look into this matter and kindly ensure that I get the information sought at the earliest. I am ready to come for any hearing, if so required.

Thanking you,  
Yours sincerely,

Caesar Sen

Dear Sir,

Re.: **First Appeal under the RTI Act, 2005/ Inspection carried out Tibetan Delight (restaurant), 66/1 Chowringhee Road, Kolkata 700020.**

It has been uploaded on the website of WBPCB that the "closure Order" against Tibetan Delight has been suspended.

I had made an application dated 10/6/24, re the above unit to the SPIO, WBPCB. For questions 1,2,4,5 the SPIO, vide letter dated 15/5/24 has refused to give me the information sought on the grounds that it attracts the provisions of section 8(1)(e) and section 8(1)(d) of the RTI Act. For question no. 3, the SPIO has said that it is not under the purview of WBPCB. A copy of the suspension of closure order, my application and reply of SPIO are enclosed herewith.

I, as a citizen of India, and moreover being the owner of the premises where Tibetan Delight is located am entitled to the information sought. The unit has been polluting the atmosphere and this is affecting my life and health. The information relating to the unit has not been provided in a fiduciary capacity and is surely not of commercial confidence, a trade secret or intellectual property. **The sections 8(1)(e) and 8(1)(d) of the RTI Act are surely not attracted, and the SPIO has no legitimate ground to refuse me the information sought.** The information would not harm anyone's competitive position as mentioned in the above 2 sections of the RTI Act. My health life and health are affected and even otherwise I have a right to get the information sought.

Without prejudice to my above contentions, I state that the above information should have been uploaded on your website and/or provided to the public to the public at large

You are thus requested to consider this as my **First Appeal**, and do the needful so I get the information sought at the earliest. **In case you do not direct the SPIO in the first instance to provide me the information and are calling for a hearing, please inform me so I can be present there.**

Awaiting your kind intervention in the matter and to getting the information sought soon.

Thanking you in anticipation,

Yours truly,

**Caesar Sen**

No. 1811 / SPM/RTI/03/2024

Date: 19 /07/2024

**Order By First Appellate Authority of RTI, WBPCB**

Sub : Disposal of First Appeal under RTI dated 5.6.24, 9.6.24, 10.6.24, 9.7.24, 11.7.24 of Sri Caesar Sen.

Ref. : SPIO Case-No3241, & Memo-No No.0761/1J-19/2023 (Part-II) dated 27.03.2024 and No.1242/1J-11/2024 (Part-II) dated 16.05.2024. and no 1703 dated 11.7.24 and his memo 1242 dated 16.5.24.

Perused the Case Records and heard the SPIO WBPCB. It appears that Appellant made a series of appeals ( 5 no's) for information around same object- a third party business concern- Tibetan Delight and more or less same issues. So clubbed all together for disposal.

Heard the SPIO and seen case records. It appears that the information sought by appellant and available and shareable has already been supplied. In pursuance of the 1<sup>st</sup> appeal application of Shri Caesar Sen, it is observed that the SPIO had furnished the relevant information to the applicant vide SPIO Office Memos as follows- No.0761/1J-19/2023 (Part-II) dated 27.03.2024 and No.1242/1J-11/2024 (Part-II) dated 16.05.2024. and no 1703 dated 11.7.24 and his memo 1242 dated 16.5.24.

SPIO informed me during hearing dated 11.7.24, that said Third party visited him and requested protection under Section 8 and Section 11 of RTI Act as allegedly Appellant is pursuing litigation against his business and may use this information to harm Tibetan Delight business.

It is further observed that the applicant is NOT satisfied with the reply of the SPIO, WBPCB and made this series of first appeals.

Perused the relevant Laws, Rules of WBPCB and their procedures along with RTI Laws and rules and heard explanation of same from SPIO. Examined all documents and came to reasoned conclusion as stated below.

A. Satisfied that Appellant is filing RTI for information that is related to a Third Party Business concern, being M/s Tibetan Delight.

B. Satisfied that all necessary information as available with SPIO and as shareable as per law, rules has already been duly shared with appellant.

C. Satisfied that other information not shared pertain to a Third party industry cannot be shared with the third party, in terms of Section 3(1)(d) of the Right to Information Act, 2005, which clearly states that "information including commercial confidence, trade secrets or intellectual property, the disclosure of which would harm the competitive position of a third party, unless the competent authority is satisfied that larger public interest warrants the disclosure of such information". No such larger public interest is apparent from Case Records and hence this applies.

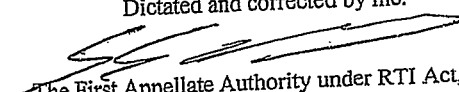

D. Also satisfied from Case Records that the not shared information sought of a particular Third Party Business cannot be shared with a private information seeker under the Provisions for Third Party Information (Section 11 of RTI Act, 2005).

So, with this spoken decision on 4 counts as stated above in details on the matter, this appeal petition is disposed off from end of undersigned.

And Appellant if not satisfied with this spoken order and decisive action, may take up matter at next level of appeal as per RTI Act and Rules or as deemed fit.

With This spoken order, the First Appeal is hereby disposed and matter closed from this end and NO FURTHER appeals on same issue will be entertained from this end. Let all concerned be informed.
