Dear Sir/Madam,

With due respect and in connection with the trailing mail regarding a person name **Mr. Tapan Maiti**, Myself Rajib Pal, requested you to provide the petition details for the application no- **2474/DLSA/South 24 Parganas/2020** and **2475/DLSA/South 24 Parganas/2020**, by Smt. Madhumita Pal (Petitioner) against Mr. Rajib Pal (Respondent), to the undersigned.

The purpose of my asking the said petition details because I have been suffering from matrimonial issues since last 2 years. **Mr. Tapan Maiti** was threatened me by sending this said application no to me through Whatsapp, which belongs to IPC 498A and CRPC 125. The heinous intention was to siphon money from me with respect to settling down my marriage dispute and divorce. But rather than monetary settlement and divorce, I wanted to save my family life through proper reconciliation, dialogue and through marriage counseling. This man, **Mr. Tapan Maiti** along with my wife's matrimonial uncle restrained me from getting in touch with my wife and my minor child. As both of my father's in-law and my mother in-law were dead therefore they took the opportunity and aggravate negativity which gradually created an irreversible distance between me and my wife. He has manipulated and influenced my wife for our family disruption as both of me and my wife have gone through a rough phase.

The purpose of this conspiracy is nothing but squeezing money or may be some ardent desire for so and so. This type of man under the so-called pet name of 'Social Worker' does unsocial work under the umbrella of some NGOs or vice versa some NGOs endorse them. Finally in the year 2021 my wife under the heinous conspiracy of one of the mastermind **Mr. Tapan maiti**, lodged false cases like IPC 498a/323/34 and CRPC 125 at Contai Subdivision Court, Purba Medinipur. Where, **Mr. Tapan Maiti** has enrolled himself as a main witness in all false criminal cases against me and other members of my family.

Please have a percept what is his interest in my family affairs particularly on my wife. The damages done by him are absolutely irreversible indeed. Now the matter is under sub judiciary and I responded to the honorable court through proper and fair reply. Also I will be able to establish the man like **Mr. Tapan Maiti's** connection with respect to my family affairs during court trials. I take the pledge to expose such a type of culprit and their associated NGOs in front of the judiciary system. Their activities are like 'Chases buffaloes after eating at home'.

My humble prayer to you please identify, isolate and take necessary actions against such a type of man like **Mr. Tapan Maiti** and their associated NGO who are interfering in family matters and provoking legal disputes resulting in irreversible damages to one family.

Regards,

Rajib Pal
