11] *Grounds for 2nd Appeal and relief sought(specify):*

FACTS OF THE APPEAL

1. That the appellant, Dr Mouri Ghosh is a Teaching Faculty at West Bengal National University of Juridical Sciences, Kolkata and is the unmarried daughter of Dr Dharani Kanta Ghosh and Dr Tripti Das, residing at Prantik, Pearabagan Road (behind co-operative godown), Chinsurah, Hooghly - 712103, West Bengal.

2. That the appellant is an ex- PhD research scholar of University of Kalyani (henceforth University) with Registration No. Ph.D/Re-Regn./Physio/MG/2013 dated April 01, 2013 in the Department of Physiology. Her Research-Guide was Prof Goutam Paul. [ANNEXURE P14]

3. That the appellant had successfully submitted her PhD thesis at the University on 21/06/13 [ANNEXURE P15] and along with fulfillment of other requirements, she was awarded a PhD degree by the University dated 10/02/14 [ANNEXURE P16].

4. That the appellant's thesis/ dissertation title was:

"Effect of Inorganic Arsenic Compounds on the Activity of Intestinal Smooth Muscles in Mammals: A Molecular Physiological Study".

5. That subsequently in 2015, the same Dr Goutam Paul, who happened to be the appellant's PhD research guide submitted a similar DSc thesis to the same University titled:

"Understanding of Efferent Neurocrine Mechanisms in Inorganic Arsenicals Induced Intrinsic Regulation of Activity of Visceral Smooth Muscle in Albino Rat: A Molecular Neurotoxicological Study", for which the University awarded him a DSc degree.

6. That it was crystal clear that Prof Goutam Paul's subsequent DSc thesis was based on the same subject matter as the appellant's previous PhD thesis and that Prof Goutam Paul had only changed some terms of his thesis title to make it seem different.

7. That the appellant was provided with an un-signed and un-marked copy of Prof Goutam Paul's DSc thesis in pdf form though a CD by the University with accompanying letter dated 24/10/19 [ANNEXURE P3] in response to appellant's previous RTI Applications (dated 03/08/19) [ANNEXURE P1] and First Appeal (dated 18/09/19) [ANNEXURE P2].

8. That on comparison of the appellant's previous PhD thesis and Prof. Goutam Paul's subsequent DSc thesis, side by side, it was quite clear that almost the whole of Prof Goutam Paul's DSc thesis was substantially plagiarized from the appellant's previous PhD thesis on the following major grounds:

- i. Both the research works were on the effects of "Inorganic Arsenic Compounds" / "inorganic arsenicals".
- ii. Both the research works were on the effects on "Activity of Intestinal Smooth Muscles" / "activity of visceral smooth muscle" - the 'viscera' studied in both research work being 'intestines'.
- iii. Both the research works were done in the same 'mammal' species - the 'albino rat'.
- iv. Both the research works were done by primarily studying the "efferent neurocrine mechanisms" of intestines and had similar conclusions.

9. That aggrieved at Dr Goutam Paul having copied her PhD research/ thesis by the fraudulent means of plagiarism, the appellant lodged a complaint of plagiarism with the VC, Kalyani University against Prof. Goutam Paul detailing prima facie evidence of his plagiarism through:

- i. an email dated 23/08/19 [ANNEXURE P4] and subsequently
- ii. a letter dated 27/01/20 [ANNEXURE P5] (with a copy to The Chairman, University Grants Commission, New Delhi, i.e. UGC) based on **University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in**

Higher Educational Institutions) Regulations, 2018, henceforth UGC Plagiarism Regulations, 2018.

10. That the same Prof Goutam Paul subsequently got promoted to Pro-VC of the University.

11. That the University was supposed to come to a decision on the appellant's complaint alleging plagiarism within 90 days of receipt of the same as per Regulations 10 and 11 of the aforementioned UGC Plagiarism Regulations, 2018

12. That during the subsequent months and years the appellant sought update and related information on her plagiarism complaint through:

- i. Email to VC, University of Kalyani dated 17/08/20 [ANNEXURE P6],
- ii. RTI Application to SPIO, University of Kalyani dated 13/11/20 and delivered on 23/11/20 [ANNEXURE P7] and
- iii. First Appeal (RTI) to VC, University of Kalyani dated 08/01/21 and delivered on 13/01/21 [ANNEXURE P8]

all of which remain not answered till today.

13. That on lifting of major COVID-19 restrictions by the State Government, the appellant filed a similar RTI Application to SPIO, University of Kalyani, dated 17/06/22 and delivered on 20/06/22 [ANNEXURE P9] seeking an update and related information on her plagiarism complaint.

14. That the information sought by the appellant/ RTI Applicant vide letter dated 17/06/22 was as follows :

1. The present status of my complaint and how far any progress had been made into the inquiry.

2. (a) The subsequent procedural steps to be taken by the University based on my complaint and (b) rules and regulations of the University, if any, concerning complaints of plagiarism, so that I can myself prepare and comply likewise.

3. *The date on which the aforementioned Professor Dr Goutam Paul of Department of Physiology, has been awarded DSc by the University based on his impugned thesis.*

4. *Whether the impugned DSc thesis of Dr Goutam Paul had been submitted to INFLIBNET for upload to "Shodh Ganga e-repository" and (b) the date of submission and/or upload of the same.*

15. That being denied any response, the appellant preferred a First Appeal to the VC and Appellate Authority (RTI), University of Kalyani by letter dated 25/08/22 and delivered on 31/08/22 [ANNEXURE P10].

16. That by the letter No. 48/KU/RTI/22/S - 263, bearing two dates 05/09/22 and 06/09/22, Dr Indrani Karar, Deputy Registrar and SPIO of the University, referred to both the RTI application (dated 17/06/22) and the First Appeal (dated 25/08/22), and requested the appellant to be patient as "the process is running to collect the information" [ANNEXURE P11].

17. That the appellant, received information published on two daily Bengali news publications viz. Dainik Statesman (e-paper dated 15th September 2022) and Bartaman Patrika (web edition dated 16th September 2022) that a similar situation arose when a Dean of the same University who has recently been found guilty of plagiarism, was recalcitrantly shielded by the University by refusing to reveal information sought through RTI applications.

18. That apprehensive of a similar cover-up and of a "conspiracy of silence" amongst higher echelons in academics in the University, the appellant preferred a reminder to the VC to provide her with the sought information within schedule and also apprising the VC of her misgivings through letter dated 19/09/22 [ANNEXURE P12].

19. That on the same date 19/09/22 the appellant received the impugned letter No. 48(i)/KU/RTI/22/S - 298 dated 14/09/22 [ANNEXURE P13] from Dr Indrani Karar, Deputy Registrar and SPIO, Kalyani University in response to both the RTI application and the First Appeal stating that:

"... since it is a third party case, as per Section 11 of R.T.I., Act, 2005, we seek the consent from the third party, but the third party informed the undersigned not to disclose the information to other."

20. That the impugned letter dated 14/09/22 amounts to denial of information by the SPIO as well as by the First Appellate Authority (RTI) of University of Kalyani.

21. That the appellant contends that denial of the aforementioned specific information by the SPIO and the First Appellate Authority (RTI) of the University is in violation of provisions of the RTI Act 2005, in letter and spirit; and that the excuse of third party information posed by the SPIO is ill conceived and borne out of malafide intentions and that the information sought does not fall under the restraints of Section 11 of RTI Act and that the SPIO is bound by the aforementioned UGC Plagiarism Regulations, 2018 to disclose the sought information.

22. That the appellant prefers this appeal on the basis of public interest of transparency and academic integrity before the Hon'ble Commission to kindly order the SPIO, University of Kalyani for disclosure of the information sought under the RTI Application dated 17/06/22 and to kindly order for compensatory and punitive measures as provided in the RTI Act 2005 as redressal against such unreasonable, deliberate and malafide refusal by the said SPIO to provide justly sought information on the following Grounds amongst others:

GROUND

- A. Because as per Sections 10 and 11 of the UGC Plagiarism regulations, 2018 the University was supposed to come to a decision on the petitioner's plagiarism complaint within 90 days of receipt of her complaint dated 27/01/20, and yet the University has not shown an iota of action in this matter.
- B. Because the 1st information sought by the appellant i.e. *"The present status of my complaint and how far any progress had been made into the inquiry."* - can in no manner whatsoever be a third party information because the plagiarism complaint was lodged by none other than the appellant herself and she has a

right to be informed about the status and stage of inquiry into her own complaint and as a public authority the SPIO of the University is duty bound to disclose such information.

- C. Because failure to do so would defeat the very purpose of the RTI Act to ensure accountability and transparency and to combat arbitrariness in actions and conduct of public authorities like the University.
- D. Because the 2nd information sought by the appellant i.e. *"(a) The subsequent procedural steps to be taken by the University based on my complaint and (b) rules and regulations of the University, if any, concerning complaints of plagiarism, so that I can myself prepare and comply likewise."*, can in no manner whatsoever be denied by the University, not even under the pretext of third party information, because the University is bound by statute to provide and publish such information.
- E. Because the sub-Regulation 6 (e) of **University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018** prescribing on **"Curbing Plagiarism"** - imposes the duty on the University to disclose such procedures, rules and regulations on plagiarism complaints, the said sub-Regulation being reproduced hereinbelow for ready reference:

"HEI shall develop a policy on plagiarism and get it approved by its relevant statutory bodies/authorities. The approved policy shall be placed on the homepage of the HEI website."

- F. Because the University of Kalyani is such a HEI which is bound to disclose such information sought by the appellant/ RTI Applicant as defined in Regulation 2(h) of the aforesaid UGC Plagiarism Regulations, 2018 which is reproduced hereinbelow for ready reference"

""Higher Educational Institution (HEI)" means a university recognized under section 2(f) of the UGC Act, 1956 or an institution

deemed to be university under section 3 of the UGC Act, 1956 or an affiliating college / institution or a constituent unit of a university;"

- G. Because the 3rd information sought by the appellant i.e. *"The date on which the aforementioned Professor Dr Goutam Paul of Department of Physiology, has been awarded DSc by the University based on his impugned thesis."*, can in no manner whatsoever be denied by the University, not even under the pretext of third party information, because the University is bound by statute to provide and publish such information.
- H. Because the 4th information sought by the appellant i.e. *"Whether the impugned DSc thesis of Dr Goutam Paul had been submitted to INFLIBNET for upload to "Shodh Ganga e-repository" and (b) the date of submission and/or upload of the same.*, can in no manner whatsoever be denied by the University, not even under the pretext of third party information, because the University is bound by statute to provide and publish such information.
- I. Because the '3rd' and '4th' sets of information sought as reproduced in above paragraphs numbered G and H have been posed by the appellant to ascertain whether the University had complied with the duties imposed on the University by the aforementioned Regulation 6 on "Curbing Plagiarism" as per UGC Plagiarism Regulations, 2018.
- J. Because sub-Regulation 6 (g) of aforementioned UGC Plagiarism Regulations, 2018 mandates the University to do as follows:

HEI shall submit to INFLIBNET soft copies of all Masters, Research program's dissertations and thesis within a month after the award of degrees for hosting in the digital repository under the "Shodh Ganga e-repository".

- K. Because protecting third party information was not the real motive of the SPIO in denial of information about date of award of DSc thesis to Prof Goutam Paul and about date of upload of his impugned thesis in Shodh Ganga e-repository.

- L. Because the ulterior motive of the SPIO in refusing to disclose those dates was to conceal the very likely fact that the University has violated the mandatory provisions by failing to upload the impugned DSc thesis to Shodh Ganga e-repository even after seven (7) years from awarding the DSc degree to Prof Goutam Paul.
- M. Because disclosure of 3rd and 4th sought information would reveal lack of transparency in research activities of the University and its blatant violation of mandatory UGC Plagiarism Regulations, 2018 that was aimed to 'curbing plagiarism'.
- N. Because the pdf file provided to the appellant by the University contains an unsigned and un-marked copy of Prof Goutam Paul's impugned DSc thesis and hence the date of award of the DSc degree is vital to inquire into possible liabilities of the author/ researcher (Prof Goutam Paul) as well as the awarding authority (the University) vis-a-vis date of award of previous PhD thesis of the appellant from the same University from which the impugned DSc thesis was plagiarized by Prof Goutam Paul.
- O. Because information sought by the appellant can in no manner whatsoever fall under the ambit of third party information under Section 11 of the RTI Act as evident in the preceding paragraphs.
- P. Because even if for argument's sake it is assumed that third party information is involved, Section 11 of RTI Act does not does not empower the SPIO/ First Appellate Authority to rubber stamp every refusal of a third party against disclosure of information.
- Q. Because the provisio in Section 11 of RTI Act 2005 ensures that public interest in disclosure over-rides protection to third party information which is reproduced hereinbelow for ready reference:

"Provided that except in the case of trade or commercial secrets protected by law, disclosure may be allowed if the public interest in

disclosure outweighs in importance any possible harm or injury to the interests of such third party."

- R. Because information sought by the appellant is in public interest of academic integrity and curbing plagiarism which is supported by the fact that the UGC had to devise and implement such regulations like UGC Plagiarism Regulations, 2018, which mandates disclosure and publication of such information by the University.
- S. Because such public interest served by disclosure of information sought by the appellant far outweighs so-called/ assumed third party interests (if any) which further proves non-application of mind of the SPIO in denying justifiable information to the appellant.
- T. Because in addition, none of the four sets of information sought for by the appellant in her RTI Application dated 17/06/22, fall under the ambit of Section 8 (1) (j) of RTI Act, 2005 covering

"personal information the disclosure of which has no relationship to any public activity or interest, or which would cause unwarranted invasion of the privacy of the individual".

And hence even any possible defence of the Section 8 RTI Act (to third party information) does not apply to this case in any manner whatsoever.

- U. Because the inherent public interest in those information sought by the appellant is aimed at promotion of transparency, academic integrity and curbing plagiarism in academic research, as envisioned in the said Section 8 (1) (j) of RTI Act and thus the sought information falls under the condition where:

"the larger public interest justifies the disclosure of such information"

- V. Because the antecedents of the University have exposed that it had previously thwarted any transparency in inquiry to previous plagiarism allegations as has been reported by two renowned Bengali news media (Dainik Statesman e-paper

dated 15/09/22 and Bartaman Patrika web page English version by Google translate dated 16/09/22) [ANNEXURE P12] .

- W. Because as reported in the two news publications, this University had in past occasions repeatedly refused to provide information sought by RTI Applications about plagiarism complaint against one Prof Debaprasad Sikdar, a Dean of this same University, who has recently found to be guilty of plagiarism; and such incidents are testament to nefarious intentions and despicable malpractices of academics and administrators of this University to protect fraudulent activities like plagiarism at its highest academic levels.
- X. Because by denial of said information to the appellant and even refusal to inform her about the status of her own complaint, the University have directly sent her the message that they were dismissive of her complaint *ab initio* and protecting their erstwhile Pro-VC Prof Goutam Paul was a foregone conclusion .
- Y. Because the University had thus endorsed the theft and misappropriation of the appellant's intellectual work in her thesis and unfairly endowed the fruits of the appellant's labour to an undeserving person who stole her ideas and her work.
- Z. Because such dismissive action has caused untold harm to the mental health of the appellant and resulted in extreme mental distress, agony and angst in the face of patent injustice and callousness of the University in refusing to recognizing her untiring skill, effort and judgment in performing her exclusive and original PhD research by endowing a higher DSc degree to another person based on intellectual property and ideas stolen and misappropriated from her.
- AA. Because it is thus patently evident that as Dr Indrani Karar, Deputy Registrar and SPIO of the University has denied disclosure of information without any reasonable cause, has done so with malafide intention to conceal violation of UGC Plagiarism Regulations, 2018 by the University and given misleading information about restraints posed by third party; so the University and the SPIO are thus liable to pecuniary penalties of Rupee 250 per day until information is

received (under Section 20 (1) of the RTI Act) and the SPIO is liable to be recommended for disciplinary action (under Section 20 (2) of the RTI Act).

PRAYER

Hence the appellant humbly prays that the Hon'ble Commission kindly pass necessary order(s) to:

- 1) Direct the SPIO, University of Kalyani to provide information sought by the appellant vide her RTI application dated 17/06/22, under S. 19(8)(a) of RTI Act, 2005
- 2) Grant compensation of Rupees Two Lakhs (Rupees 2,00,000) as damages payable by the University to the appellant to compensate for mental distress, agony and angst suffered by her, resulting from dismissive attitude of the SPIO through denial of information, under S. 19(8)(b) of RTI Act, 2005
- 3) Ensure imposition of penalties of Rupees 250 per day on the University and until said information is provided to the appellant under S. 20(1) of RTI Act, 2005
- 4) Recommend disciplinary action as per service rules against Dr Indrani Karar, SPIO and Deputy Registrar, University of Kalyani under S. 20(2) of RTI Act, 2005

And/ or pass any other Order(s) as your Honour may deem fit

And for this your appellant as in duty bound shall ever pray.

The Vice-Chancellor and Appellate Authority to SPIO

University of Kalyani

Kalyani, Nadia, West Bengal-741235, India.

Sub: First Appeal on non-delivery of information beyond more than the stipulated time of 30 days, under Section 19 RTI Act, 2005

Ref: RTI Application dated 03.08.19 before the Registrar and SPIO, University of Kalyani, seeking a copy of the entire thesis of Prof (Dr) Goutam Paul of Department of Physiology, submitted at University of Kalyani for award of D.Sc., as applied under RTI Act 2005.

Sir,

I had made a RTI Application (copy enclosed herewith) on 03.08.19, seeking a copy of the entire thesis titled "Understanding of efferent neurocrine mechanisms in inorganic arsenicals induced intrinsic regulation of the activity of visceral smooth muscle in albino rat: a molecular neurotoxicological study" that had been submitted by Prof (Dr) Goutam Paul of Department of Physiology, University of Kalyani and which had been accepted for a successful award of D.Sc. by the University of Kalyani.

I had also mentioned that prior to the submission of this thesis by Prof (Dr) Goutam Paul, I had already submitted my thesis titled "Effect of Inorganic Arsenic Compounds on the Activity of Intestinal Smooth Muscles in Mammals: A Molecular Physiological Study" to the University of Kalyani, on 21.06.2013, for which I had been already awarded PhD from this University on 10.02.2014. None other than Prof (Dr) Goutam Paul was my research guide.

Regarding the noticeable similarity of the research subject matter between my thesis and the subsequent thesis submitted by Prof (Dr) Goutam Paul, I had sought a copy of Prof (Dr) Goutam Paul's thesis in its entirety and duly submitted the necessary fees of Rs. 10/ by IPO (copy enclosed) as well.

However even after the stipulated 30 days for reply had surpassed, I have not received any response. Notably the said RTI Application had been delivered to University of Kalyani on 06.08.19 (copy of tracking details enclosed).

Hence this is my First Appeal as per provisions of RTI Act, 2005 requesting you to provide me a copy of the said thesis of Prof (Dr) Goutam Paul within the stipulated time. Please denote the Official Details and Address of the Second Appellate Authority (RTI) in your reply.

Many thanks

Yours sincerely

Respected Sir,

I had submitted my thesis on 21.06.2013 to Kalyani University for which I was awarded a PhD degree on 2014. Subsequently, my erstwhile thesis guide, Prof (Dr) Goutam Paul of Deptt of Physiology, Kalyani University had submitted a thesis on same/ similar subject matter to the same university for which he had been awarded a DSc degree.

The attached documents which details my RTI application already submitted to the Registrar & SPIO, Kalyani University to procure a copy of Dr Goutam Paul's said DSc thesis, is self explanatory.

This is my fervent request to kindly take necessary steps in this matter on grounds of transparency and plagiarism check in the spirit of UGC regulations.

Many thanks

Sub: Application for inquiry into allegations of plagiarism on part of Prof. Dr Gautam Paul in his DSc thesis plagiarised from my earlier PhD thesis, as per UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018

Ref: My email to your office dated Aug 23, 2019

Sir,

1. I am an ex- research scholar (University of Kalyani Registration No. - Ph.D/Re-Regn./Physio/MG/2013, dated April 01, 2013) who had been registered in this University at Department of Physiology. My research guide was Prof. Dr Gautam Paul.
2. I had successfully submitted my thesis at the University of Kalyani on 21/06/2013 along with fulfilling other requirements for being awarded a PhD degree in 10/02/2014.
3. My thesis/ dissertation title was: "Effect of Inorganic Arsenic Compounds on the Activity of Intestinal Smooth Muscles in Mammals: A Molecular Physiological Study"
4. Subsequently, in 2015, the same Dr Gautam Paul, my erstwhile research guide had submitted a thesis to the same University of Kalyani titled:
"Understanding of Efferent Neurocrine Mechanisms in Inorganic Arsenicals Induced Intrinsic Regulation of the Activity of Visceral Smooth Muscle in Albino Rat: A Molecular Neurotoxicological Study" for which he was awarded a DSc.

attested
Nouze Ghosh
18-10-22

5. Needless to say, his thesis is based on the same subject matter as my previously submitted thesis. He had only changed some terms of the thesis title to make it look different.
6. Being suspicious I had applied for a copy of his thesis as per RTI ACT, 2005 [first on 03/08/19 (to the Registrar & SPIO) and again on 18/09/19 to the Appellate authority], and subsequent to my First Appeal to your office I received a CD containing the impugned thesis of Dr Gautam Paul from University of Kalyani, with accompanying letter dated 24/10/19.
7. Based on comparison of my earlier PhD thesis and Dr Gautam Paul's subsequent DSc thesis it has become crystal clear, that almost the whole of Dr Gautam Paul's thesis is based on my earlier original work on the same subject – indicating that he has falsely claimed that his thesis is an original work, and showing that he has plagiarised from my earlier submitted thesis.
8. Even the title of Dr Gautam Paul's thesis betrays that he has copied from my earlier work done in the same laboratory of Department of Physiology at University of Kalyani.
 - a) My work is on "Inorganic Arsenic Compounds" which Dr Paul has substituted in his subsequent thesis as "Inorganic arsenicals".
 - b) My work studies the effects on "Activity of Intestinal Smooth Muscles in Mammals" which Dr Gautam Paul has substituted in his subsequent thesis as "activity of visceral smooth muscle in albino rat".
 - c) In fact, perusal of Dr Gautam Paul's DSC thesis reveals that the viscera that Dr Gautam Paul has claimed to have worked on is 'Intestine', just as I had done in my earlier research/ thesis and the "Mammal" that I had worked on my earlier research/ submitted thesis, was "albino rat".
 - d) My thesis was centred on "efferent neurocrine mechanisms" as mentioned in Dr Gautam Paul's subsequent thesis.
9. It is evident Dr Gautam Paul had deliberately substituted terminologies even in the thesis title as well as in the body/ content of his thesis, - a technique called synonymised plagiarism - in an endeavour to avoid detection by software-based plagiarism detection tools.

10. Surprisingly, many of my co-research scholars at that contemporary period when I conducted my research in the same topic in the same lab, has been acknowledged by Dr Gautam Paul, yet he has deliberately omitted to acknowledge my name in his aforementioned DSc thesis, which reinforces my claim of plagiarism by Dr Gautam Paul.
11. This is prima facie evidence of plagiarism by Dr Gautam Paul on my earlier research work and hence, pursuant to my earlier e-mail (copy enclosed), I request you to conduct an enquiry in this matter as per provisions of UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018 in the letter and spirit of academic integrity and transparency, according to principles of natural justice.

Many thanks,

Yours sincerely,

Ref: My letter of complaint to the Vice Chancellor, University of Kalyani, in the aforementioned matter dated 27/01/20

Respected Sir,

I am an ex- research scholar of Department of Physiology of this University. My registration number is - Ph.D/Re-Regn./Physio/MG/2013, dated April 01, 2013). My research guide was Prof. Dr Goutam Paul of Department of Physiology.

I am compelled to write you this letter over email as the ongoing COVID-19 situation and related Government advisories that sequentially discouraged public commute unless in case of utmost emergency. Also, postal service has been erratic because of the same COVID-19.

I had lodged a complaint against Prof. Dr Goutam Paul as per UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018 through my above referenced letter to you, dated 27/01/20. That letter has been delivered on 03/02/20 (according to Indiapost consignment tracker). However, I have not yet received any communications from the University since that time.

Hence, I request you to kindly inform me about:

1. the present status of my complaint and how far any progress has been made into the inquiry.
2. the sequential procedural steps to be taken based on my complaint or details of established rules of the University, if any, that is required to be taken into complaints of plagiarism, and the possible timeline of the same, so that I can myself prepare and comply likewise.

3. the date on which, my erstwhile guide, aforementioned Professor Dr Goutam Paul of Department of Physiology, had been awarded DSc by the University.
4. whether the impugned DSc thesis of Dr Goutam Paul had been submitted to INFLIBNET for upload to "Shodh Ganga e-repository" and date of submission and/ or upload of the same.

As my complaint also concerns an issue of public interest i.e. 'academic integrity' and 'prevention of plagiarism' I will be highly obliged if you provide me with the above sought information as soon as possible.

Many Thanks

I am an ex- research scholar of Department of Physiology of this University. My registration number is - Ph.D/Re-Regn./Physio/MG/2013, dated April 01, 2013). My research guide was Prof. Dr Goutam Paul.

I had also emailed The VC on 17/08/20 seeking an update, but I have not yet received any response. Hence, I request you to provide me the following information about:

1. the present status of my complaint and how far any progress has been made into the inquiry.
2. (a) the subsequent sequential procedural steps to be taken based on my complaint and (b) rules and regulations of the University, if any, concerning complaints of plagiarism, so that I can myself prepare and comply likewise.
3. the date on which aforementioned Professor Dr Goutam Paul of Department of Physiology, had been awarded DSc by the University based on his Impugned thesis.
4. (a) whether the impugned DSc thesis of Dr Goutam Paul had been submitted to INFLIBNET for upload to "Shodh Ganga e-repository" and (b) the date of submission and/ or upload of the same.

2. Letter No. 48/KU/RTI/22/S - 263 dated 05/09/22 from The Deputy Registrar, University of Kalyani

Dear Hon'ble Vice Chancellor,

I would like to thank you and the University for responding to my RTI Application dated 17/06/22 and my First Appeal to your office dated 25/08/22 and asking me to be patient as the "process is running to collect the information" vide the above referenced letter dated 05/09/22.

But recent revelations in reputed Bengali vernacular dailies Dainik Statesman (dated 15th September 2022) and Bartaman Patrika (dated 16th September 2022) highlight the fact that previously a complaint of plagiarism was lodged against Prof Debaprasad Sikdar (until very recently, a Dean) of this same University of Kalyani, regarding his PhD thesis submitted/ conferred around 1995.

The newspaper reports further reveal that this University had created obstacles and deliberately delayed inquiry into that plagiarism complaint and had also dragged their feet in responding to related RTI applications. Noticeably the report further states that Prof Debaprasad Sikdar has been very recently found guilty of plagiarism and removed from his post. This amounts to a time span of more than 25 years that this University had kept validating his tainted thesis.

Insofar as my own plagiarism complaint against Prof Goutam Paul's DSc theses, I am totally in the dark as to what steps (if any) has been taken by this University save an except providing me with a CD containing an unsigned pdf copy of Prof Paul's DSc thesis in response to a previous RTI application in 2019.

Hence I have reasons to be apprehensive whether history is being repeated in this University with regard to my plagiarism complaint against Prof Goutam Paul (until

attested
 Moni Ghosh

recently Pro-VC), given this antecedent conspiracy of silence amongst academics in high places in this University.

Hence, this is a gentle reminder that my First Appeal has reached your office on 31st August 2022 (vide Indiapost tracking) and the deadline for providing the sought information is thirty days from receipt (which calculates to 30th September 2022), as per Section 19(6) of RTI Act, 2005 which is been reproduced hereinbelow for ready reference:

"An appeal under sub-section (1) or sub-section (2) shall be disposed of within thirty days of the receipt of the appeal or within such extended period not exceeding a total of forty-five days from the date of filing thereof, as the case may be, for reasons to be recorded in writing."

So, as you can appreciate, in case this deadline is missed and since my complaint against plagiarism is pending for a long time, my hands would be forced to approach higher authorities for further redressal.

Many Thanks

Yours sincerely

Mouri Ghosh

Correspondent, Kalyani: Dean of the Faculty of Education, Kalyani University Prof. Debprasad Shikder is facing controversy for allegedly plagiarizing the research paper of a researcher in the Department of Education. Not even a little bit, the investigation revealed that Abhisandartha or thesis paper has been completely copied. However, the complaint was raised long ago. The final report of the three-member inquiry committee accepted the allegations. Professor Shantinath Sarkar applied to the University authorities seeking information under the Right to Information Act. He also complained to the university authorities about this several times. An inquiry into the matter was conducted during Alok Kumar Banerjee's tenure as Vice-Chancellor. But the investigation report was suppressed for political reasons. At present, Devprasad Babu has been banned from coming to the Dean's office and has been asked to answer the matter. A report has also been sent to the Higher Education Department. According to the sources, disciplinary action may be taken against Professor Shikder as per rules and laws. In this regard, the director of public relations department of the university, Prof. Sujay Kumar Mondal said, the matter was decided in the working committee meeting of the university. He is removed from Dean's path. Allegedly, Debprasad Shikder copied the entire PhD thesis of Professor Swadesranjan Samant. The matter was decided in the working committee meeting of the university. He is removed from Dean's path. Allegedly, Debprasad Shikder copied the entire PhD thesis of Professor Swadesranjan Samant. The matter was decided in the working committee meeting of the university. He is removed from Dean's path. Allegedly, Debprasad Shikder copied the entire PhD thesis of Professor Swadesranjan Samant.

Devprasad Babu received his PhD degree by submitting a thesis entitled 'A Comparative Study of Teaching Biology in Different Courses at the Higher Secondary Level in West Bengal'. Swadesranjan Babu's research was titled, 'A Comparative Study of Teaching Physics in Different Courses at the Higher Secondary Levels in West Bengal'. It was evaluated by the examiner in 1995. Complainant Professor Shantinath Sarkar said, I have been complaining for a long time. But the university administration has not taken any action so far.

I am happy with the current administration. Dibyendu Bhattacharya, another professor of the Department of Education, said that his thesis is completely bogus. Despite such complaints, when he was elected as the dean of the Faculty of Education in 2020, he resigned from various positions in the university, including the department head, in protest.

Now to see, finally what kind of disciplinary action the university authorities take on 100% thesis plagiarism.

RTI Applicant :Dr. Mouri Ghosh
Public Authority : University of Kalyani
Date of RTI Application : 17.06.2022, 23.09.2022
Date of 1st Appeal : 25.08.2022, 04.11.2022
Date of 2nd Appeal :21.10.2022, 11.01.2023
Date of hearing : 17.03.2025

(Appeal No. 102722 of 2025 &100043 of 2025 under the Right to Information Act, 2005)

Appellant : Dr. Mouri Ghosh

SPIO : SPIO, University of Kalyani

Facts on Record & Findings :

The SPIO of the case is present for the hearing in virtual mode while the appellant is present for hearing physically.

2. There are two second appeal cases of the appellant namely Appeal No. 102722 of 2025 (Date of RTI Application 17.06.2024) and Appeal No. 100043 of 2025 (Date of RTI application 23.09.2022). Since both of these RTI applications are based on the same/ similar matter, the two are being taken up together for hearing accordingly.

Appeal No. 102722 of 2025 (RTI Application Dated 17.06.2022)

3. There are four queries in this RTI application. From the case record and as submitted by the SPIO, it appears that so far no information has been furnished to the appellant. A perusal of the RTI application indicates that the appellant in Query Nos.1 & 2 wanted the status of complaint she had filed on the allegation of plagiarism by one Professor Gautam Paul by taking her PhD thesis to obtain DSc Degree from the Kalyani University. Query No. 2 seeks subsequent procedure etc. but Queries 1 & 2 seek the same response i.e. present status of the complaint and progress made on enquiry, if any. The other two queries are factual in nature i.e. date of award of DSc to Professor Goutam Paul and whether his DSc thesis has been submitted on portal "Shodh Ganga e-repository".

4. The SPIO submitted that these are personal information of a third party and hence protected under the RTI Act, 2005. However, this is not personal information of third party but seeking action taken on the complaint filed against this individual specifically by the appellant herself and therefore under the provisions of the RTI Act, no such exemption can be given and status of the complaint and other factual information as noted hereinabove has to be furnished to the appellant. A time of eight weeks is given to the SPIO to furnish requisite information to the appellant under intimation to the Commission. The matter will be taken up after eight weeks or submission of compliance report by the SPIO, whichever is earlier.

Appeal No.100043 of 2025 (RTI application Dated 23.09.2022)

5. The appellant filed an RTI application on 23.09.2022 seeking information on eleven number of queries. The SPIO, by a reply Dated 23.12.2022, informed the appellant that the information sought cannot be given as the matter on which she had filed RTI application is *sub-judice* in the Hon'ble High Court, Calcutta. Dissatisfied, the appellant filed first appeal before the First Appellate Authority on 04.11.2022 and second appeal before the Commission on 11.01.2023.

6. On being asked, the SPIO informed that there is no specific order from the Hon'ble High court, Calcutta for not furnishing information to the appellant and therefore the plea of the issue on which the RTI application was filed being *sub-judice* is not tenable as under section 8 (1) (b) of the RTI Act, 2005, unless expressly prohibited by a court of law, there is no exemption provided from furnishing information if it is in accordance with provisions of RTI Act and not exempted under any other provision of the RTI Act, 2005. It therefore appears that no information has been furnished to the appellant in this matter.

7. A perusal of the RTI Application indicates that the subject matter on which this RTI application has been filed is closely related to the RTI application Dated 17.06.2022 in seeking status of action taken on a complaint the appellant had filed before Kalyani University regarding alleged plagiarism of her PhD thesis by one Professor Gautam Paul for obtaining his DSc degree from the said university. Query Nos. 5, 6, 7, 8 & 10 seek factual information regarding Rules and Regulations, Constitution of Sundry

Committees and other factual information which are not personal information relating to any individual but are public information and the same therefore need to be furnished to the appellant.

8 However, the other queries specifically seek details of processing of the appellant's allegation vis-à-vis DSc awarded to Professor Gautam Paul and disclosure of such information including handling of Dr. Paul's thesis etc. would amount to furnishing third party information unless it has already been accepted by the university that the alleged plagiarism was carried out and in that case it will no longer be deemed to be third party information. However, the university authority has yet to decide on the complaint as no status has so far been furnished to the appellant. Be that as it may, the SPIO shall furnish requisite information on Query Nos. 3, 6, 7, 8 and 10 to the appellant within next eight weeks and inform the Commission compliance of the same. The matter will be taken up along with the previous second appeal case No. 102722 of 2025 after expiry of eight weeks or receipt of compliance report from the SPIO whichever is earlier.

9. Let authenticated copies of the order be forwarded to all concerned.

Deliberations and Decision :

3. The Appellant along with her elder brother Dr. Gairik Ghosh is present virtually. The SPIO along with the Law Officer is present virtually.
4. Regarding query no. (i) & (ii) vide para 2 (i) above,
 - a) The SPIO submitted that the University has not received any complaint from the appellant. Therefore, it was replied that no information is available. However, the appellant stated that the copy of the complaint has been delivered by India Post on the 3rd February, 2020 and again followed through e-mail on the 7th August, 2020 on the e-mail ID of Vice Chancellor vcklyuniv@gmail.com. The SPIO stated that that the e-mail ID of the Vice Chancellor is vc_kalyani@klyuniv.ac.in that referred by Sh. Ghosh is incorrect.
 - b) It is seen that in the month of February the complainant was sent and after one month i.e. in the month of March, 2020 the lock down was imposed because of Covid.
 - c) During the discussion, there was confusion regarding the complaint submitted by the appellant to the University in February, 2020 and subsequently on e-mail in August, 2020. Whether it is available or not is the basis for deciding whether the appellant is replied adequately by the SPIO as per para 4 above. In order to sort out the issue one month time was given to the SPIO and directed to submit the reply in an affidavit form.
5. Regarding query no. 3 vide para 2 (ii) above, The appellant has asked for the Rules & Regulations of the University regarding research work. SPIO submitted that this is available in the Website of Kalyani University (PhD Section).
6. Next date of hearing is fixed on 11.12.2025 at 11.30 hrs. This is regarding para 4 above.
