Date of FA reply: No response received

Brief facts of the case:

1. The Applicant had filed a RTI Application seeking information on the following grounds:

Please provide the following information under section 2(f) and 2(j) of the RTI act:

I want to know status of letter sent dated 10/03/2022 to the Deputy Secretary State Vigilance Commission, WB Bikash Bhawan, 1st, 2nd and 3rd Floor DF- Block, Sector-I Salt Lake city, Kolkata-700091

1) The daily progress made on my complaint letter dated 10/03/2022, e-complain No WEBSVC079-2021 and e-complain No WEBSVC023-2022.

2. However, there was no response from the concerned Public Information Officer (PIO) of the Public Authority to the RTI Application within the mandatory period of 30 days from the date of receipt of the application.

3. The Applicant, then proceeded to file a First Appeal u/s 19 of the Right to Information Act against the no-response of the PIO to the application.

4. However, there was no response from the concerned First Appellate Authority (FAA) of the Public Authority to the First Appeal.

Grounds for Prayer or Relief:

1. As there is no reply from the PIO within 30 days from the date of the RTI Application and also no reply from the First Appellate Authority within 30 days from the date of the First Appeal, a second appeal is being filed under section 19(3) of the Right to Information Act within the mandatory time period of 90 days. The copy of the RTI application and first appeal have been annexed herewith as Annexure 1 and Annexure 2.

The applicant has not been provided with any response/reply from the concerned PIO. The present appeal is a case of No Response to the RTI. The applicant has not been provided with any response/reply from the concerned FAA. The present appeal is a case of No Response to the First Appeal. As there has been no response from the concerned PIO and FAA, the question of the acknowledgment copy/proof does not arise as the applicant has not been provided with one by the concerned authorities. The applicant has duly filed the RTI application through speed post having India Post tracking number EK309344823IN and First Appeal through speed post having India Post tracking number EK686211938IN.

2. The failure of the PIO as well as the FAA to respond to the application within the specific time frames as provided under the Act is a violation of Section 5(3), 5(4) and 5(5) which mandates that the PIO is to make all efforts to ensure that the requested information is properly furnished to the applicant.

3. The denial of information by the PIO is in violation of the provisions of the RTI Act, tantamounting to deemed refusal in terms of Section 7(1) of the RTI Act which makes the PIO liable for penal action under Section 20(1) of the RTI Act. The PIO has clearly failed to discharge its duties and obligations in the letter and spirit of the Act.

4. The information sought by the applicant in the RTI Application is very much a part of the information maintained by the concerned public authority falling under the definition of section 2(f) of the RTI Act and the PIO and FAA have no reasons whatsoever, of refusing to provide the information. In fact, their failure to even reply to the application highlights the fact that the application has been dealt with in a negligent and apathetic manner.

5. Various orders have been passed by the Hon'ble Central Information Commission to the effect that a no response from the PIO and the FAA calls for strict action against the concerned officer along with directions to be issued for the disclosure of the information sought at the earliest.

6. In the CIC decision of F.No.CIC/SS/A/2014/000013-Y and F.No.CIC/YA/A/2014/000349 in the case of Shri M. Ramanathan versus Social Welfare Dept. dated 27.01.2015, it was directed to the concerned department to disclose the information to the applicant as there was no reply from the PIO and also no order was passed by the First Appellate Authority. The following observations had been

By Sample

made in the aforementioned CIC decision:

"In file nos. CIC/SS/A/2014/000013-YA and CIC/YA/A/2014/000349, the PIO/Director, O/o Directorate of Social Welfare, Puducherry is directed to furnish information to the appellant in response to his RTI applications dated 30.07.2013 & 13.09.2013, within three weeks of receipt of this order, under intimation to the Commission. The information shall be provided as is available on record and as per the provisions of the RTI Act. Secretary to Government (Welfare - Social Welfare), Puducherry is directed to take note that the PIO and the FAA have not dealt with the above RTI applications at all. This is for information and necessary action as deemed fit. Show cause notice is issued to the present PIO/Director, O/o Directorate of Social Welfare, Puducherry for not providing information to the appellant within prescribed time. He is further directed to send a copy of this order to the erstwhile PIO/Director, O/o Directorate of Social Welfare, Puducherry, who did not provide information to the appellant within prescribed time in response to the RTI applications."

7. In the matter titled Pankaj Bansal vs CPIO, Railway Board bearing no.CIC/CC/A/2016/000546-AB, the Central Information Commission has observed that:

"On perusal of the case record, it was seen that that there is no reply from the public authority concerned. The cryptic remarks of the CPIO "that the matter referred to ESO/CRB" has no meaning under the provisions of the RTI Act. There is no proof that the said RTI application was transferred u/s 6(3) of the RTI Act. In the absence of such documentary evidence, it was concluded that it is a straight case of non-compliance of the RTI Act on the part of the CPIO concerned. The Commission notes that the appellant's RTI applications had not been handled properly and even the first appeal had not been disposed of due to which he had not received complete and timely information. For the detriment caused he deserves to be compensated, therefore in exercise of the powers vested in the Commission under section 19(8) (b) of the RTI Act, the Commission directs the department to compensate the appellant by an amount of Rs.5000/- for the inconvenience and detriment caused to him."

In the above mentioned order passed by the CIC on 22.05.2017, it has been clearly observed that in cases where no response has been provided by the PIO and FAA, it is an act of gross negligence on the part of the concerned officers towards the implementation of the RTI Act.

8. Furthermore, in terms of the above mentioned order, in the present case, the PIO is liable to provide the information sought by the applicant/appellant, free of
