**Subject: Issue Regarding an RTI Application**

Dear Sir,

I am Dipayan Mistry would like to draw your kind attention that my RTI Application dated 16.05.2025 was refused on 19.05.2025 by the Head of the Institution of Burul High School (H.S) (located at & post – Burul, PO. – Burul, PS – Nodakhali, Dist. – South 24 Parganas, Pin – 743318, West Bengal) when it was sent through inland speed post vide consignment number – EW448982989IN dated 16.05.2025. After refusal of that article the article was returned to me and I have gone to the mentioned school to give the article but the school doesn't have any receiving section and the Head of the Institution of the school denied again and again to receive my application without any reasonable cause.

So, I am sincerely request to you kindly pay attention to my matter and order the Head of the Institution to receive my application and provide me relevant information as mentioned in my application as early as possible. Also, I am requesting to you, if possible, impose him a penalty under Sub Section 1 of Section 20 of Right to Information Act 2005 for this refusal of my application.

However, an online appeal was submitted in this regard to the official website of West Bengal Information Commission dated 14.06.2025 (Diary Number – 604743).

**Subject: Application under the provisions of Right to Information Act 2005**

Sir,

I am Dipayan Mistry informing you that my sister Dipanwita Mistry is a student of your institute whose marksheet of Class XI Annual Examination 2025 is showing fail. My father has already sent an application to you regarding this matter on 05.05.2025 through inland speed post vide consignment number – EW226951848IN which has been delivered to your institute on 07.05.2025. My father already told you about the provisions of the West Bengal Council of Higher Secondary (Examination) Regulations 2024 (herein after named as WBCHSE), still we did not get any response from your end. The marksheet was generated, declared and given to me by you and the marksheet is very doubtful because it doesn't follow regulations 3(8) of the WBCHSE (Examination) Regulation 2024 which was approved by the State Government of West Bengal and published in the Official Gazette on 21.08.2024 and all the provisions are still in force because no new gazette notification available in the council website (See Sub-Section 4 and 5 of Section 21 of the West Bengal Council of Higher Secondary Act 1975). The below mentioned questions are still unanswered.

**The Questions are: -**

1. Why my sister's marksheet is showing fail?
2. What were the criteria to pass Class XI Annual Examination 2025?
3. Where the criteria are mentioned?
4. What is my sister's fault in this matter?
5. Is there any certified document or regulation which is more powerful than WBCHSE (Examination) Regulations 2024 dated 21.08.2024?

Again, as a guardian of my sister I am sincerely requesting you under the provisions of Right to Information Act 2005 to give me proper explanations about my sister's marksheet and answer the above-mentioned questions as early as possible.

Also, I am requesting you under the provisions of Right to Information Act 2005 to give me certified copies (Xerox) of answer scripts of the subjects Chemistry and Physics.

I hope you will pay attention in this matter and co-operate with me.

Thanking You,

With Regards,
