Administrative closure of old cases

Appeal and Complaint of very old cases were sent letters from the Registry by speed post on their address available in records seeking their comments if the information sought was still relevant to them within sixty days. Letters were also sent by e-mail and whatsapp in cases where such contact details had been provided by the petitioner. The Commission has received many affirmative responses. But in some cases the letters issued from this end have returned with different noting of postal authorities – like “addressee left, deceased, no such person in the address” etc. The Hon’ble Commission has decided to close the cases as mentioned in the Annexure.

Note: The closed cases may be re-opened subject to representation by the petitioner(s).

By Order
