No. 296–WBIC–13099/1/2026–SECY(WBIC)–WBIC

DATE: 12.02.2026

NOTICE

(list enclosed)

Subject: Resubmission of 2nd Appeals and Complaints filed in January 2026 due to technical exigency in respect of listed persons.

This is for the information of all Appellants and Complainants (as per enclosed list) who have filed their cases through the APPCOMS portal on Commission's website between January 1, 2026, and January 31, 2026.

Due to an unforeseen technical glitch encountered within the software database during the aforementioned period, it has been observed that several digital entries have been recorded without the mandatory enclosures and supporting case details.

In order to ensure that these matters are adjudicated with proper appreciation of facts and to avoid any delay in the justice-delivery process, the Honorable State Chief Information Commissioner (SCIC) has directed the following:

Submission of Hard Copies: All concerned parties are requested to submit a complete set of their Appeal/Complaint, including the copy of RTI application, proof of dispatch, and any responses from the SPIO/FAA, to the Commission's office at the address mentioned above.

Reference to Diary Number: While submitting the documents, the Diarized Number and Date of Filing must be clearly super-scribed on the envelope and / or on the top of the document.

Timeline: The requested documents must reach the Commission's office within February, 2026.

Digital Alternative: Appellants may also forward a consolidated PDF of their case files to scic-wb@nic.in / or WhatsApp to 9073903737 mentioning their Diary Number in the subject line.

The Commission regrets the inconvenience caused and requests the cooperation of all stakeholders to ensure the integrity of the records.

Secretary

West Bengal Information Commission
